The image contains six numbered airplanes, each with a label in a box pointing to it. The labels are: 1. SCHOOLBAG, 2. PENCIL, 3. 'PEN, 4. RULER, 5. RUBBER, and 6. PENCIL CASE. Scattered around the airplanes are 18 clouds, each containing a different school supply: a yellow pencil, a red schoolbag, a blue and pink eraser, a black pen, a silver ruler, and a pencil case. The goal is to draw a line from each airplane to its corresponding supply without crossing other clouds.
